

First, Murray Leith, our Executive Vice President and Director of Investment Research, is going to talk about some of the headlines that are dominating the news. He will share his unique perspective on them and how they will shape our investment strategies going forward.

Murray will be followed by Cory O’Krainetz, Fai Lee, Ben Sinclair, Steve Boland, and Steve Zicherman. Each of them will discuss companies they are excited about and why. Don’t worry, they won’t keep you here all day – they will be brief but I believe very worthy of your time.

Before I turn matters over to Murray, I would like to take the opportunity to thank you for sharing your time with us and for choosing Odlum Brown as your investment firm. We are very fortunate to have such great clients – thank you for taking this journey with us.
