

## Business Systems Analyst – Vancouver

This year, Odium Brown celebrates its 98<sup>th</sup> anniversary as an independent, employee-owned, full-service investment firm. We are honoured to be recognized as one of Canada's Best Managed Companies for 22 consecutive years and as one of Canada's Most Admired™ Corporate Cultures.

### CULTURE AND VALUES

We are very proud of the vibrant culture that we have built and sustained for many years. It's the way we do things, how we make decisions and what defines which behaviours work and don't work – it's what makes up our DNA.

Our values are the cornerstone of our culture, a set of principles that provide a compass for our actions and unify us as a team.

### PEOPLE

We have skiers, mountain bikers, hockey players, runners, volleyball players, movie buffs, bookworms, animal lovers, musicians, yogis, world travelers and every other variety of person you can imagine. You will work with really interesting people and make great friends, too.

### COMMUNITY

We are serious about supporting the communities where we live and work. We are committed in heart and mind to everything we do in the community, and we work hard to inspire passion and fun while doing it.

### PROFESSIONAL DEVELOPMENT

Continuous learning matters. We are committed to providing career-long support for learning and growth.

### THE OPPORTUNITY

**We have an opportunity for a Business Systems Analyst (BSA) to join our award-winning firm in the Vancouver office.**

Reporting to the Manager, Business Solutions, the BSA will help build our Salesforce Lightning capabilities, bringing business and data solutions to support the continued growth of our investment management business. The BSA will work closely with business units, functional leaders and subject matter experts (SMEs) to identify, develop and deploy data and Salesforce solutions.

This role will focus on helping Retail Advisor teams achieve their goals using a CRM and optimize their use of Salesforce. The BSA will also be responsible for executing day-to-day configuration, support, maintenance and improvement of our CRM platform.
